

# GRAND AND LARGE FORMAT PRINTING

IT'S NOT JUST PRINTING,  
IT'S COMMUNICATING. THINK BIG.

Whether you need retail signage, point-of-purchase, an in-store branding campaign, life-sized displays or skyscraper wrapping, AGS can do it all. From seasonal signage to grand format banners, AGS can provide you with a complete range of in-store print support.

REDUCE LEAD  
TIME FOR  
IN-STORE  
BRANDING  
CHANGE-  
OVERS.

## THINK BIG

Digitally print photographs, graphics or brand collateral for placement on signage, banners, posters, billboards, trade show booths or wall murals. Take your message on the road with vehicle wraps, fleet graphics, point-of-purchase displays and window graphics. AGS can print up to 190 inches wide by almost any length, so think big.

## REDUCE LEAD TIME WITH OUR GLOBAL FOOTPRINT

Save time and shipping costs with print production and distribution at a variety of locations nationwide. Our international digital footprint integrates seamless production control across locations. Advanced color management systems ensure unrivaled color fidelity at each print site.

## MAKE AN IMPACT

Close to 60% of all purchase decisions are made in the retail store. This means attention-grabbing visuals and point-of-purchase displays are more important than ever. Our team will work with you to create the perfect solution. Whether you are looking to streamline your in-store signage changeover and fulfillment process or just stand out from the competition, AGS can help.
